The last frontier of nutrition is the brain. Neuro 911 was formulated with one goal in mind, and this is to supply great nutrition to the brain. The brain controls the body; therefore, it makes sense to supply this organ with nutritional support to help it achieve optimal performance.

Neuro 911 is a unique combination of the amino acids dl-phenylalanine and l-glutamine, with certain vitamins and minerals.

Neuro 911 should be taken on an empty stomach with just water, no juices, or other supplements. Wait 30 minutes before eating or taking other supplements.

Directions for use

Take 1 caplet on an empty stomach daily 30 minutes before meals with 8 oz. of water, as needed as a dietary supplement.

Protect from heat, light, and moisture. Store at room temperature. For adult use only. Always consult your healthcare professional before taking any dietary supplement.
