PRODUCT FACT SHEET

Nobel ENERGY™ 750ml

Code: E624

NOBEL™ ENERGY is a refreshing and energizing blend of vitamins, amino acids, and nitric oxide-producing l-arginine. This blend helps increase mental alertness while delivering the energy you want and the nitric oxide your body craves.

Each NOBEL™ beverage blends vital nutrients that boost your health.

PRODUCT INFORMATION

Each glass of NOBEL™ ENERGY stimulates the taste buds with a juicy burst of flavor from the tropical Lychee (Litchi) fruit. This is a powerful antioxidant and a better source of Vitamin C than oranges.

Combined with important B vitamins, taurine, tyrosine and other beneficial nutrients like vitamin D3, NOBEL™ ENERGY boosts your mind and your body.

Vitamin D is one of the most valuable nutrients for overall health. Research supporting the vast benefits of vitamin D is astonishing, and includes the strengthening of the musculoskeletal system as well as increasing the body's natural immunity.

L-arginine and l-citrulline are powerful amino acid co-factors which are the precursors to the production of nitric oxide (NO).

Each serving contains the caffeine equivalent to a cup of coffee, while providing the nutrients your body needs to provide your sustainable energy.

We invite you to experience NOBEL™ ENERGY, you'll be glad you did.

SUPPLEMENT FACTS

Serving Size: 1 oz.
Servings per container: 25
